

# EctoLearning Tour

**Have Fun Online Orientation**  
Welcome to Have Fun Amusement Park! This course is designed to help you get started with your online workplace safety online courses. However, before starting these courses, it is important to understand the online course environment. Therefore, you will be completing the Have Fun Online Orientation Program.

**Associated Groups / Communities**

1

The Your Group section includes the group's name and brief description of its purpose.

2

The Content section contains the majority of the course content. Each Content section contains a brief description of the content and/or a document or question.

3

Forums are your class discussions. The Online Orientation program provides a brief exposure to its use; however, as you progress into the Workplace Safety Training program, you will use these in more depth to discuss ways to handle "real

4

Group Blog/Announcements is used briefly in the online orientation program; however, this section will be used more in the Workplace Safety Training program to share resources, documents, and podcasts that will deepen your safety learning.

5

Assignments will be used in the Workplace Safety Training program to place required assignments that need to be completed within a specified time frame after completing the content portion of a safety course.

6

Q & A This section is to be used by all employees to post questions about how to access course content, techniques for downloading material, questions about your assignments, etc. Your trainers work 8:am -2:00am ET so they will post a response to your question within 24 hours or sooner.
